

# OPERATION SHARE ENERGY FUND

Operation Share Energy Fund provides energy assistance grants to qualified households within the UGI local service area. Funding comes from a UGI Corporate donation, as well as individual donations from UGI employees and customers. 100% of every dollar donated goes directly to a local household in need.

## Give Warmth.

Donate to Operation Share, a 501(c)3 nonprofit that provides grants towards income-qualified customers who have experienced a hardship.

To help your neighbors, visit [www.UGI.com/Opshare](http://www.UGI.com/Opshare) to learn more.

## Get Warmth.

If your monthly income (before taxes) is at or below a certain level, you can apply for an Operation Share grant. Grants do not have to be paid back.
