

# SAVINGS BUILT FOR **SMALL BUSINESSES**

The UGI Electric SaveSmart Direct Discount Program will help your business save energy and money

## Want to be more energy efficient but concerned about the upfront cost and time?

Direct Discount Program contractors make it easy by helping you identify eligible energy-saving lighting opportunities, then completing those upgrades for you. Incentives are provided directly on your invoice, so you pay less upfront for your energy efficiency upgrades.

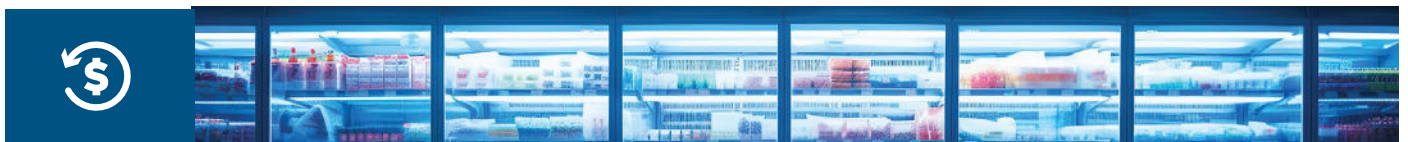

## Who is eligible?

This program is specifically for small business customers with GS1 and GS4 rate codes and is intended for retrofit projects only. Projects that are designated as new construction are not eligible.

| PROJECT                      | DIRECT DISCOUNT  |
|------------------------------|--|
| Lighting Upgrades & Controls | \$0.12 per kilowatt-hour (kWh) saved annually, up to 75% of the project cost* or up to \$100,000 |

\*Pre-approval is required. Rates listed here are effective June 1, 2024, and are subject to change. Customer is responsible for a minimum of 25% of total project costs once incentives are calculated based on actual savings.

### BENEFITS & INFORMATION:

- Offers higher incentive to help offset the capital investment for energy-efficient lighting projects.
- Requires that improvements be installed by a participating contractor.
- No application for the customer. The contractor handles the paperwork!
- All small and medium UGI business customers with a GS1 or GS4 rate code are eligible. Not sure of your rate code? Check your current utility bill or contact SaveSmart@ugi.com.
- For retrofit projects only. New construction is not eligible for Direct Discounts but can be submitted through our prescriptive lighting program.

### LIGHTING

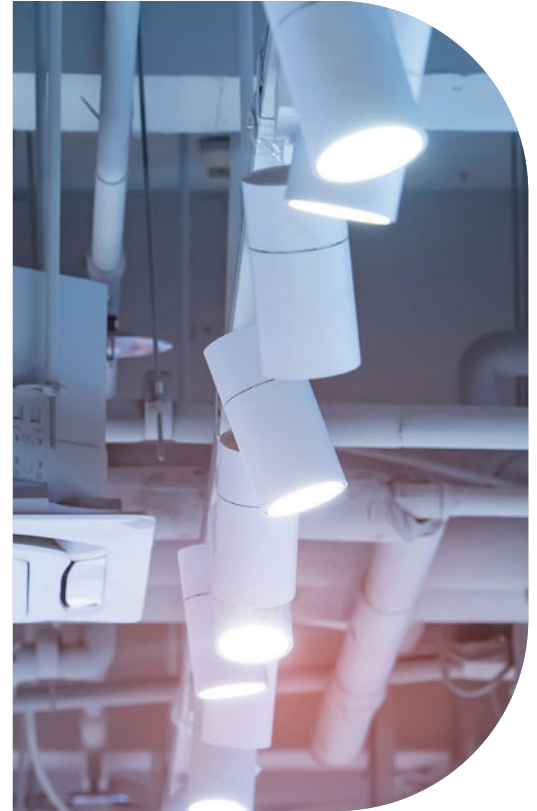

- Fixtures
- Bulbs or Tubes
- Lighting Controls

Must be ENERGY STAR® or DesignLights Consortium™ (DLC) certified.

---

## PARTICIPATION IS SIMPLE:

- 1** **Contact a direct discount contractor** to assess your facility for eligibility and identify qualifying energy efficiency improvements. A list of participating distributors is available on the program [website](#).
- 2** **Choose the energy-saving lighting project** you'd like your participating contractor to complete and get pre-approval for your projects.
- 3** **Have your equipment installed** by your participating contractor.
- 4** **Receive your direct discount** and offset costs with coverage of up to 75% of the project. Incentives are sent directly to your contractor.

### Ready to save?

Contact us at **1-570-908-4715** or [UGIElectricBusinessRebates@clearesult.com](mailto:UGIElectricBusinessRebates@clearesult.com). For more information about our business incentives, visit <https://www.ugi.com/rebates-for-business/electric/direct-discount-program>

Products and pricing are subject to change based on availability. Incentive levels are effective beginning 8/1/24 and are reviewed on a regular basis. Please check website for current listings and Terms and Conditions.

Products must be installed within 90 days of purchase date. End-use customers may be contacted for possible site verification visit and may receive notification informing them of program participation. Program availability and incentive levels subject to change and/or termination without prior notice. Rebates and discounts offered are subject to customer meeting program eligibility. UGI Electric Utilities assumes no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.
